That sounds good! I'll put it down at 10:00AM EST for him to call.
He'll be calling from his cell: (b)(6)

That would work! Governor Perdue is seeking the first call to be brief, then to build a relationship from there based on overlapping issue areas, if confirmed.

Can we confirm a conversation within that time frame with the Secretary initiating the call to the Governor on his cell ... (b)(6)?

Please let me know if there is a more specific timeframe.

Thank you!

Diane

Hi Diane,
I apologize for the delay. The Secretary does plan on traveling the next several day and will be departing this afternoon. He would be available and within cell service from 10-11:00AM EST tomorrow (3/10). Would that time work for Governor Purdue? Additionally, how long do you anticipate the call taking?

Best,
Caroline

Greetings Scott:

On behalf of Secretary of Agriculture nominee Governor Sonny Perdue, I'm contacting you because the Governor is interested in speaking with Secretary Zinke over the phone in the next few days. Would you please contact me via email or at the phone number below – or have the appropriate staff member do so – to set that up?

Many thanks for your time and consideration!
